LETTER FROM  
POMGIRDUN

Marsten, Lord of Monitor:  
The destruction of thine  
enemies is certain. My  
brave Goblin warriors  
have already plundered the  
Fawn Tower, and the  
Wolves which guarded it.  
Next, we shall strike the  
Bull Tower, and the Bears  
which serve there. Hail to  
victory! Soon, the Wolves  
and Bears shall cease to  
trouble thee. Then  
Monitor and the Goblins  
shall live in peace, and  
thou shalt be King of the  
Monitorians. Do not let  
this messenger fall into  
the hands of our enemies.  
-- Pomdirgun, Chieftain  
of the Goblin Horde
